**Board Governance & Management**  
*Improved Board Effectiveness*

We help organizations engage, equip, and empower their board of directors. Whether it’s clarifying roles, creating policies and procedures, we can help!

**Focus Areas**

Recruitment & Orientation  
Engagement, Evaluation, Training  
By-laws & Policies  
Roles & Responsibilities  
Diversity & Inclusion

**Volunteer Management**  
*Increased Engagement*

We help clients extend the impact of their volunteer programs. We assess volunteer practices, identify opportunities for improvement and create actionable plans.

**Focus Areas**

Engagement Cycle  
Volunteer Motivators  
Recruitment, Retention, Recognition

**Development Audit**  
*Diversify Funding Streams*

We assess the strengths, areas of need, and readiness for new funding ventures of clients current fundraising programs.

**Focus Areas**

Funding Strategy & Procedures  
Communication Process  
Cultivation and Stewardship

**OUR PROCESS**

**WHY NPO STRATEGIES**

We care about our clients success and go beyond what is expected to get the results you desire. We make it a rule to “remain in our lane” and therefore never engage in a project that we cannot deliver.

**CLIENT BENEFITS**

On Demand Support: Consider us an extension of your team.  
Organizational Change: Improved leadership and staff performance and retainment.  
Cost Effective: Scale your organizations operational needs while keeping in budget.
